Recognition of Prior Learning (RPL) and Credit Transfers (CT)

Recognition of prior learning (RPL) is a process that assesses a student's competency - acquired through formal and informal learning - to determine if students meet the requirements for a unit of study. Students with previous skills, knowledge or experience are entitled to apply for RPL for a full qualification or individual units of competency.

Students will be required to produce evidence and undertake assessment as part of the RPL process. If students have previously completed a unit/s of competency and can provide valid evidence of AQF certification (issued by an RTO), they are eligible to apply for a credit transfer and would not be required to undertake further study for the unit.
