Additional Pathways

Students who successfully complete the qualification may be eligible to continue in higher level certificate courses, with any registered training organisation who holds the higher-level qualification on its scope of registration.

This qualification provides a pathway to work in various hospitality settings, such as restaurants, hotels, motels, catering operations, clubs, pubs, cafés, and coffee shops.

Recognition of Prior Learning and Credit Transfer

Recognition of prior learning (RPL) is a process that assesses your competency—acquired through formal and informal learning—to determine if you meet the requirements for a unit of study. Students with previous skills, knowledge or experience are entitled to apply for RPL for a full qualification or individual units of competency. Students will be required to produce evidence and undertake assessment as part of the RPL process.

If you have previously completed a unit/s of competency and can provide valid evidence of AQF certification (issued by an RTO), you are eligible to apply for a credit transfer and would not be required to undertake further study for the unit. You can learn more about RPL and Credit Transfer processes at: www.maxsolutions.com.au/training

AQF Certification Outcome

Only students who successfully complete all required units of competency will be issued with an AQF certificate II qualification. Students who complete one or more units, but do not complete the whole qualification will be issued with a statement of attainment for the completed units only.

Unique Student Identifier

It is mandatory for all students undertaking Nationally Recognised Training in Australia to have a Unique Student Identifier (USI).

Students will need their USI to apply to enrol for training.
